About Dada Sports and How to Reach Us

Dada Sports is an Indian cricket and sports retailer founded in 2015 in Chennai. We sell cricket equipment, footwear, apparel, training equipment, fitness gear and equipment for other sports online at dadasports.labspace.tech, through the Dada Sports app, and at six stores. Our house brands are Dada Pro (premium cricket), Eden (club cricket), Captain (juniors), Offside (apparel and tennis-ball cricket), DS Fit (fitness), DS Run (running), DS Court (badminton) and DS Play (other sports).

Customer support channels and hours

Channel	Hours	Response time
Chat (website and app)	8:00 AM - 10:00 PM IST, every day	Instant answers; a support agent joins within 5 minutes
Email: support@dadasports.labspace.tech	24x7	Reply within 24 hours
Phone callback (request it from chat)	9:00 AM - 9:00 PM IST, Monday to Saturday	A support agent calls back within 2 hours

Escalated tickets

When a ticket is escalated to our senior support team, a specialist contacts the customer within 4 business hours for urgent cases (payment problems, safety issues, legal or fraud concerns) and within 24 hours for all other cases. The customer keeps the same ticket number throughout.

Grievance officer

In line with the Consumer Protection (E-Commerce) Rules, 2020, customers who are not satisfied with the resolution can write to our Grievance Officer, Ms. Ananya Roy, at grievance@dadasports.labspace.tech. Grievances are acknowledged within 48 hours and resolved within 30 days.

Shipping and Delivery Policy

Dada Sports ships to every serviceable PIN code in India from three fulfilment centres: Sriperumbudur (Chennai, Tamil Nadu), Bhiwandi (Maharashtra) and Hoskote (Bengaluru, Karnataka). Orders are routed to the nearest centre that has every item in stock.

Dispatch times

- Orders placed and paid before 2:00 PM IST, Monday to Saturday, are dispatched the same day.
- Orders placed after 2:00 PM IST, or on Sundays and national holidays, are dispatched the next business day.
- Cash on Delivery (COD) orders are dispatched after an automated confirmation call or WhatsApp confirmation, usually within 2 hours.
- Made-to-order items (custom team jerseys, engraved bats) and bats sent for our knocking-in service have their own production time, shown on the product page, which is added before dispatch.

Delivery timelines

Delivery timelines are counted in business days (Monday to Saturday, excluding national holidays) from the day of dispatch.

Destination	Standard delivery	Express delivery
Metro cities: Kolkata, Mumbai, Delhi NCR, Bengaluru, Chennai, Hyderabad, Pune, Ahmedabad	2-4 business days	Next business day if ordered before 12:00 noon IST
Tier 2 cities and state capitals	3-6 business days	Not available
Rest of India	5-8 business days	Not available
North-East states, Jammu & Kashmir, Ladakh, Andaman & Nicobar Islands, Lakshadweep	7-12 business days	Not available

Bulky items (bowling machines, practice nets, adjustable dumbbells) travel by our freight partner and take 2 extra business days on top of the standard timeline.

The Estimated Delivery Date (EDD) shown at checkout and in the order confirmation email is the date we commit to.

Shipping charges

- Standard shipping is free on orders of ₹999 or more. Orders below ₹999 have a shipping fee of ₹79.
- Express shipping (metro cities only) costs ₹149 per order, regardless of order value.
- Captain tier members of the Captain's Club loyalty programme get free express shipping on every order.
- Cash on Delivery has an additional handling fee of ₹49. COD is available for orders up to ₹10,000.

Courier partners and tracking

We ship with Blue Dart, Delhivery and Ekart. Remote PIN codes may be served by India Post Speed Post.

- A tracking link is sent by SMS, email and WhatsApp as soon as the order is dispatched.

- You can also track the order under My Account > My Orders > Track.
- Tracking usually starts showing scans within 24 hours of dispatch.

My order has not arrived by the estimated delivery date

If your order has not arrived by the Estimated Delivery Date (EDD):

1. Up to 1 business day after the EDD: check the tracking link. Most parcels that are slightly late are still moving and are delivered within 1 business day.
2. 2 or more business days after the EDD: contact support with your order ID. We raise a priority trace with the courier and update you within 24 hours.
3. If the parcel shows no tracking movement for 7 calendar days after the EDD, we declare it lost in transit and offer you a free replacement or a full refund, whichever you prefer. You do not need to wait for the courier's investigation to finish.

Late delivery goodwill credit: if an order is delivered more than 5 business days after its EDD because of a delay on our side or the courier's side, you can request a ₹150 Captain's Club credit. The credit is added to your account within 2 business days of the request.

Failed delivery attempts

The courier makes up to 3 delivery attempts. After 3 failed attempts the parcel is returned to our fulfilment centre (Return to Origin, RTO).

- For prepaid orders returned to origin, we refund the full product amount within 5-7 business days of the parcel reaching us. The shipping fee is not refunded if the delivery failed because the address was incorrect or the customer was unreachable.
- For COD orders returned to origin, the order is cancelled. Repeated COD refusals (3 or more) may disable COD on the account.

Changing the delivery address

The delivery address can be changed free of charge until the order status is Packed. After the order is Packed or Shipped, the address cannot be changed; you may refuse delivery and place a new order, and the refused order is refunded as an RTO.

Damaged, tampered or incomplete parcels

If the outer package is visibly damaged or tampered with at delivery, you may refuse it. If you have accepted it, report damage, missing items or wrong items within 48 hours of delivery with photos of the package and product. See the Warranty and Replacements policy for the replacement process.

Store pickup

Click and Collect is available at all six Dada Sports stores. Choose Store Pickup at checkout; the order is ready for collection within 4 hours (in-stock items) and held for 7 days. Bring the order ID and a photo ID.

Orders and Cancellations

Order statuses explained

Status	What it means
Placed	We have received your order and payment (or COD confirmation is pending).
Confirmed	Payment is verified and the order is assigned to a fulfilment centre.
Packed	Items are packed and waiting for courier pickup. Address and size changes are no longer possible.
Shipped	The courier has collected the parcel. A tracking link is sent by SMS, email and WhatsApp.
Out for delivery	The parcel is with the delivery agent and will arrive today.
Delivered	The courier has marked the parcel as delivered.
Cancelled	The order was cancelled by you or by us; any payment is refunded.
Return requested / Return picked up / Refund initiated	Stages of a return.

An order that stays in Placed for more than 30 minutes after a UPI payment usually means the payment confirmation from the bank is delayed. It is updated automatically within 2 hours; if the payment fails, the amount is refunded within 5-7 business days.

Cancelling an order

- You can cancel any order free of charge until it is Shipped, under My Orders > Cancel. The full amount, including shipping fees, is refunded.
- After the order is Shipped, it cannot be cancelled. You can refuse the delivery, or accept it and start a return within the return window.
- Made-to-order items (custom team jerseys, engraved bats) can be cancelled only within 24 hours of placing the order, before production starts.
- Bats booked for our knocking-in service can be cancelled until the service starts, which is shown as Knocking-in started in My Orders.

Orders cancelled by Dada Sports

We may cancel an order if an item turns out to be out of stock after the order is placed, if the PIN code becomes unserviceable, or if the order fails a payment security check. You are informed by SMS and email, and the full amount is refunded to the original payment method.

Changing an order

- Size, colour or quantity changes are possible until the order is Packed. Contact support with the order ID.
- The delivery address can be changed until the order is Packed (see Shipping and Delivery Policy).

- Items cannot be added to an existing order; place a new order instead. Orders placed within 30 minutes of each other to the same address are shipped together where possible.

Partial shipments

If items in one order are stocked at different fulfilment centres, they may arrive in separate parcels with separate tracking links. Each parcel has its own Estimated Delivery Date, shown in My Orders.

Pre-orders and back-orders

Items marked Pre-order show an expected dispatch date on the product page. Pre-orders are charged at the time of ordering and can be cancelled free of charge at any time before dispatch.

Order confirmation and invoices

An order confirmation is sent by email and SMS within 15 minutes of placing the order. If you did not receive it, check My Orders; if the order is listed there, it is confirmed. A GST invoice is emailed on dispatch.

Finding your order ID

Your order ID starts with ORD- followed by digits (for example ORD-48213). It appears in the confirmation email, SMS, and under My Account > My Orders.

Returns and Refund Policy

We want every player to be happy with their gear. This policy explains which items can be returned, how long you have, and when your money comes back.

Return windows by category

The return window starts on the date of delivery.

Category	Return window	Condition required
Footwear (cricket shoes, running shoes, badminton shoes)	30 days	Unworn outdoors, no spike or stud wear, original box and tags
Apparel (whites, jerseys, sweaters, hats, compression wear)	30 days	Unwashed, unworn, tags attached
Protective gear, cricket balls, bags and accessories, other sports	15 days	Unused, with original packaging and tags
Small training equipment (stumps, mallets, agility ladders)	15 days	Unused, original packaging
Fitness equipment and electronics (blenders, smart band, yoga mats, bands, shakers)	10 days	Unused and in original sealed or complete packaging
Cricket bats	7 days	Not knocked-in, not oiled, no ball marks, stickers and grip intact
Bulky items (bowling machines, practice nets, adjustable dumbbells)	7 days	Unused, in original packaging; return pickup by freight partner

Defective, damaged or wrong items are handled under the Warranty and Replacements policy, not this return policy, and are always free.

Items that cannot be returned

- Custom team jerseys and any personalised or engraved product.
- Bats that have been knocked-in (including bats sent through our knocking-in service), oiled or used.
- Abdominal guards, mouthguards and innerwear, for hygiene reasons.
- Whey protein and supplements once the seal is broken.
- Bat oil and other consumables once opened.

How to return an item

1. Go to My Account > My Orders, select the order and choose Return.
2. Select the item, the reason, and upload photos if asked.
3. A return pickup is scheduled within 2 business days in metro cities and within 3-4 business days elsewhere. Keep the item packed in its original box.
4. If reverse pickup is not available at your PIN code, ship the item to the address shown in the return request. We reimburse up to ₹100 of courier charges as Captain's Club credit.

You can also start a return by chat, by email at support@dadasports.labspace.tech, or at any Dada Sports store with the order ID.

Quality check

Returned items are inspected within 48 hours of reaching our fulfilment centre. If an item fails the condition check (for example, shoes worn outdoors or a bat with ball marks), we send it back to you at no cost and no refund is issued.

Refund timelines

Refunds are initiated as soon as the returned item passes the quality check. The time for the money to reach you depends on how you paid:

Payment method	Refund time after initiation
UPI and wallets	1-3 business days
Credit and debit cards	5-7 business days
Net banking	5-7 business days
EMI	5-7 business days; the EMI conversion is cancelled by your bank and any interest charged is refunded by the bank as per its policy
Cash on Delivery	3-5 business days by bank transfer (NEFT) after you share your bank details, or instantly as Captain's Club store credit
Captain's Club credit	Instant

You receive an email and SMS when the refund is initiated, with a reference number (ARN or UTR) you can use to check with your bank.

How much is refunded

- The full product price is refunded for returns that pass the quality check.
- The original shipping fee (₹79), express fee (₹149) and COD handling fee (₹49) are not refunded for change-of-mind returns. They are refunded in full when the item was defective, damaged or wrong.
- If a free gift or bundled accessory is not returned with the item, its listed price is deducted from the refund.
- Captain's Club points used on the order are credited back to your points balance.

Exchanges

Footwear and apparel can be exchanged for a different size or colour of the same product once, free of charge, within 30 days of delivery. Choose Exchange instead of Return under My Orders. The replacement size is dispatched as soon as the pickup is completed. If the requested size is out of stock, the exchange is converted to a refund.

Refunds for cancelled orders

If you cancel an order before it is shipped, the full amount including shipping fees is refunded to the original payment method using the same timelines as above.

Warranty and Replacements

This policy covers items that arrive damaged, defective or wrong, and products that develop a manufacturing defect during their warranty period. Replacements and repairs under this policy are always free of charge, including pickup and return shipping.

Damaged, defective or wrong item on delivery

If an item arrives broken, does not work out of the box, has missing parts, or is not the item you ordered:

1. Report it within 48 hours of delivery through My Orders > Report a problem, by chat, or by email to support@dadasports.labspace.tech, with your order ID.
2. Share clear photos of the product, the damage and the shipping label. For electronics and appliances (blenders, smart bands, bowling machines) and for bats, an unboxing video or a short video showing the fault helps us approve the claim faster.
3. Our team reviews the claim and responds within 24 hours.
4. Once approved, a free replacement is dispatched within 2 business days, and the courier collects the faulty item at the same time or within 2 business days. You do not have to wait for the faulty item to reach us.
5. If the same product is out of stock, we offer a full refund to the original payment method or a different product of your choice.

Reports made after 48 hours of delivery are handled as a warranty claim (below) when the product has a warranty.

Manufacturer warranty periods

Product	Warranty
Dada Pro English willow bats (Grade 1 and Grade 2)	6 months against manufacturing defects
Eden English willow bats (Grade 3 and Grade 4)	3 months against manufacturing defects
Kashmir willow bats	1 month against manufacturing defects
Tennis-ball bats	No warranty
Dada Pro helmets, pads, gloves and keeping gloves	6 months against manufacturing defects
Eden helmets, pads, gloves, thigh guards	3 months against manufacturing defects
Cricket shoes, running shoes and badminton shoes	3 months against sole separation
DS Fit BlendGo Portable Blender	1 year
DS Fit PowerBlend 600 W Personal Blender	2 years on the motor, 1 year on jars and blades
DS Fit Pulse Smart Band	1 year
DS Fit Adjustable Dumbbells	2 years on the adjustment mechanism
Bowl-O-Matic Lite Bowling Machine	1 year comprehensive, with on-site service in metro cities
Kit bags	3-6 months on wheels and zips, as stated on the product page

The warranty period starts on the date of delivery. Keep your order ID; it serves as proof of purchase.

What the bat warranty covers

The bat warranty covers manufacturing defects that appear during normal use with a good-quality leather ball:

- Handle breakage or the handle coming loose at the splice.
- A crack running through the full thickness of the blade.
- Delamination of the toe that is not caused by moisture.

The bat warranty does not cover:

- Surface cracks and edge cracks. These are normal in English willow and are a sign of the willow compressing; they can usually be repaired.
- Damage from use with hard tennis balls, synthetic balls, bowling-machine balls or old, out-of-shape leather balls.
- Toe damage from moisture, or from using the bat in wet conditions without a toe guard.
- Bats that were not knocked-in before use. English willow bats must be knocked-in (see Bat Care and Services) before playing with a leather ball.
- Damage from deliberate misuse, such as hitting the ground or stumps.

How to make a warranty claim

1. Contact support with your order ID, photos of the defect and a short description of how it happened.
2. We arrange a free pickup to our service centre in Chennai, Mumbai or Bengaluru.
3. The product is inspected within 5 business days of reaching the service centre.
4. If the defect is covered, we repair the product, or replace it if a repair is not possible. If an identical replacement is not available, we issue a Captain's Club credit for the full purchase price.
5. If the damage is not covered, we offer a paid repair quote (see Bat Care and Services for bat repair prices) or return the product to you free of charge.

Appliances and electronics: first steps before a claim

For the DS Fit BlendGo Portable Blender:

- If the blender does not start, make sure the jar is fully twisted onto the base. The magnetic safety lock prevents the blades from running unless the jar is seated correctly; a blinking red light means it is not locked.
- If it does not charge, use the supplied USB-C cable with a 5 V / 2 A adapter, and reset by holding the power button for 10 seconds.
- A burning smell during the first two uses is normal. If the blades stop, the jar cracks, or water leaks into the base, stop using the blender and raise a replacement or warranty claim.

For the DS Fit PowerBlend 600 W: if the motor stops during use, the overload protection has tripped. Unplug for 20 minutes before trying again. If it does not restart, raise a warranty claim.

Product safety incidents (smoke, sparks, overheating, injury)

If any product, especially an electrical appliance such as a blender, smart band charger or bowling machine, smokes, sparks, overheats, smells of burning plastic, or causes an injury:

1. Stop using it immediately. Switch it off and unplug it, or disconnect the charging cable, if it is safe to do so. Do not try to open or repair it.
2. If anyone is hurt, get medical help first. For burns, cool the area under cool running water for at least 20 minutes.
3. Keep the product and its packaging; do not throw it away. Our product safety team may need to inspect it.
4. Report it to us by chat or by email with your order ID, photos or a short video, and a description of what happened.

Safety reports are handled by our product safety team, which contacts the customer within 4 business hours. The faulty unit is collected free of charge, and the customer receives a full refund or a free replacement after the report is reviewed. Products involved in a safety incident are never repaired and returned.

Replacement versus refund for defective items

Within the return window, you can choose either a replacement or a full refund for a defective item. After the return window, defective items under warranty are repaired or replaced; a refund is offered only if neither is possible.

Billing and Payments

Accepted payment methods

- UPI (any UPI app)
- Credit and debit cards: Visa, Mastercard, RuPay and American Express
- Net banking from 50+ Indian banks
- Wallets: Paytm, PhonePe and Amazon Pay
- Cash on Delivery (COD) for orders up to ₹10,000, with a ₹49 handling fee
- EMI on credit cards (see below)
- Captain's Club store credit and points

All online payments are processed by our RBI-authorised payment gateway. Dada Sports never stores your full card number or CVV.

EMI options

- No-cost EMI for 3 or 6 months on orders of ₹3,000 or more, using HDFC Bank, ICICI Bank, SBI or Axis Bank credit cards. The interest is given back to you as an upfront discount.
- Standard EMI for 9 or 12 months on orders of ₹2,500 or more, on credit cards from most major banks, at the bank's interest rate.
- EMI conversion is done by your bank and can take up to 3 business days to show on your card statement.

Charged more than once (duplicate or multiple charges)

If you see the same amount debited two or more times:

1. Check My Orders. If only one order was created, the extra debits are usually pending authorisations held by your bank. These are released automatically by the bank within 5-7 business days and no action is needed from you.
2. If more than one order was created by mistake, cancel the extra orders under My Orders before they ship. The money is refunded to the original payment method in 5-7 business days (1-3 business days for UPI).
3. If the extra amount was actually captured (it appears as a settled transaction, not pending, after 2 business days), contact support with the order ID, the transaction reference numbers (UTR for UPI, last 4 digits for cards) and a screenshot of the bank statement. Our Payments team verifies the capture and refunds every duplicate charge within 48 hours of verification.

Payment failed but money was debited

If the payment failed or the order was not created but your account was debited, the amount is refunded automatically to the original payment method within 5-7 business days. If you have not received it after 7 business days, contact support with the transaction reference number.

Payment disputes and chargebacks

If you have raised a chargeback or dispute with your bank, our Payments team handles the case directly with the bank. While a chargeback is open, we cannot issue a separate refund for the same transaction, so that you are not refunded twice. Disputes are answered to your bank within the timeline set by the card network, usually within 10 business days.

Unauthorised or fraudulent transactions

If a payment was made from your card or account without your permission:

1. Call your bank immediately to block the card or UPI ID.
2. Report it to us. We freeze the Dada Sports account involved, cancel any unshipped orders, and investigate within 3 business days.
3. You may also report cyber fraud on the national helpline 1930 or at cybercrime.gov.in.

Invoices and GST

- A GST invoice is emailed when the order is dispatched and can be downloaded from My Orders at any time.
- To claim input tax credit, enter your company name and GSTIN at checkout. A GSTIN cannot be added after the invoice has been generated.
- Prices on the website include GST.

Coupons and offers

- Only one coupon can be applied per order.
- Coupons cannot be applied to custom team jerseys or bowling machines unless the coupon says so.
- If you return part of an order that used a coupon, the coupon discount is shared across the items in proportion to their price, and only the paid amount for the returned item is refunded.

Captain's Club points

- Members earn 1 point for every ₹100 spent (after discounts).
- 1 point is worth ₹1. Points can be redeemed in multiples of 100, with a minimum of 200 points, for up to 20% of the order value.
- Points expire 12 months after they are earned.
- Points used on a returned or cancelled order are credited back.

Account and Login Help

A Dada Sports account lets you track orders, start returns, save addresses and earn Captain's Club points. You can sign in on the website or the Dada Sports app (Android and iOS) with the same account.

Creating an account

Sign up with your mobile number or email address. Mobile sign-up is verified with a 6-digit one-time password (OTP); email sign-up is verified with a link. Guest checkout is available, but guest orders cannot earn Captain's Club points and must be tracked with the order ID and email address.

Password rules

Passwords must be at least 8 characters long and include at least one number and one special character. Your last 3 passwords cannot be reused.

Resetting a forgotten password

1. On the Login page, select Forgot password.
2. Enter the email address or mobile number registered with your account.
3. We send a 6-digit OTP to your mobile (valid for 10 minutes) or a reset link to your email (valid for 30 minutes).
4. Enter the OTP or open the link, then choose a new password that follows the password rules.
5. After a successful reset you are signed out of all other devices for your security. Sign in again with the new password.

If you no longer have access to the registered email or mobile number, contact support. We verify your identity using a recent order ID and the delivery PIN code before updating the contact details.

Signing in with OTP instead of a password

You can choose Login with OTP on the Login page. The OTP is sent to your registered mobile number and is valid for 10 minutes.

Not receiving the OTP

- Wait 60 seconds before tapping Resend OTP.
- Check that the mobile number is correct and has network coverage.
- If Do Not Disturb (DND) is enabled with your operator, OTP messages are still delivered, but may be delayed by a few minutes. Our sender ID is DADASP.
- Check the spam folder if you chose email.
- You can request at most 5 OTPs per hour. After that, wait 60 minutes before requesting again.

Account locked after failed attempts

After 5 incorrect password or OTP attempts, the account is locked for 30 minutes. You can wait for 30 minutes, or unlock immediately by resetting your password with Forgot password.

Changing your email address or mobile number

Go to My Account > Profile. Changing the mobile number requires an OTP sent to both the old and the new number. Changing the email requires clicking a confirmation link sent to the new email. If you no longer have the old

number, contact support for identity verification.

Two-step verification

You can turn on two-step verification under My Account > Security. When it is on, new devices need both your password and an OTP.

Suspicious activity on your account

If you see an order, address or login that you do not recognise:

1. Reset your password immediately.
2. Use Sign out of all devices under My Account > Security.
3. Contact support. We temporarily freeze the account, cancel any unshipped orders you did not place, and investigate within 3 business days.

Dada Sports will never ask for your password, OTP, card PIN or CVV by phone, email, chat or WhatsApp.

Deleting your account

You can request deletion under My Account > Privacy > Delete account. Deletion is completed after a 30-day cooling-off period, during which you can cancel the request by signing in. Unused Captain's Club points and store credit are forfeited when the account is deleted. Order invoices are retained for 8 years as required by Indian tax law.

Bat Care and Services

Why English willow bats need knocking-in

A new English willow bat has soft fibres on its face. Knocking-in compresses these fibres so the bat can withstand a hard leather ball without cracking. Using a bat with a leather ball before knocking it in is the most common cause of early cracks, and that damage is not covered by the warranty.

Knocking-in at home

1. Apply a light coat of raw linseed oil (about one teaspoon) to the face, edges and toe, avoiding the splice and handle. Let it dry flat for 24 hours.
2. Using a knocking-in mallet, tap the face gently for 6-8 hours in total, spread over several sessions, gradually increasing the force. Pay extra attention to the edges and toe, striking them at a 45-degree angle.
3. Play 30-60 minutes of gentle throw-downs or nets with an old leather ball, looking for seam marks. If deep seam marks appear, return to the mallet.
4. The bat is ready for match use when the old ball leaves only light marks.

Dada Sports knocking-in service

- Machine knocking-in plus hand finishing by our bat technicians: ₹799 per bat.
- Turnaround: 3 business days in store. For online orders, select Knocking-in service on the product page; it adds 3 business days before dispatch.
- The bat is oiled, knocked-in, fitted with a toe guard and given an anti-scuff sheet, and is ready to play.
- Bats that have been through the knocking-in service cannot be returned, because the willow has been worked on. They remain fully covered by the manufacturer warranty.

Oiling and storage

Oil English willow bats lightly (half a teaspoon) once at the start of the season and once mid-season. Over-oiling makes the willow heavy and dead. Store bats in a cool, dry place away from direct sunlight and damp; never leave a bat in a car boot in summer.

Bat repair services

Repairs are done at our service centres in Chennai, Mumbai and Bengaluru, and can be booked at any store or by contacting support.

Service	Price	Turnaround
Surface or edge crack repair (glue, bind and re-face)	₹399 - ₹899 depending on size	5 business days
Handle replacement	₹1,499	7 business days
Toe repair and toe guard	₹499	5 business days
Re-grip (grip supplied)	₹149	Same day in store
Anti-scuff facing sheet	₹249	Same day in store

Repairs covered by the bat warranty are free. Online customers can book a repair pickup for ₹149 each way, which is waived for warranty repairs.

Bat engraving and personalisation

Laser engraving of a name or message (up to 20 characters) on the back of the bat costs ₹299 and adds 2 business days. Engraved bats cannot be returned.

Grip and toe guard fitting

Replacement grips can be fitted free of charge at any Dada Sports store when bought from us. A grip cone makes home fitting easy; roll the grip on from the handle top and avoid twisting.

Team, Club and Academy Orders

Dada Sports supplies cricket clubs, schools, colleges and academies across India. Team orders are handled by our Teams desk at teams@dadasports.labspace.tech (Monday to Saturday, 10:00 AM - 6:00 PM IST).

Custom team jerseys

- Fully sublimated jerseys with your team name, logo, player names and numbers (product DS-APP-504).
- Price: ₹899 per jersey, minimum order 11 jerseys.
- Process: send the design brief and logo (vector or high-resolution PNG), receive a digital mock-up within 2 business days, approve it, and pay a 50% advance.
- Production time: 10-14 business days after mock-up approval, plus normal delivery time.
- Custom jerseys cannot be cancelled after production starts and cannot be returned. Printing defects reported within 7 days of delivery are reprinted free of charge.

Bulk equipment orders

For orders of 11 or more units of the same product (bats, pads, balls, helmets, kit bags), the Teams desk sends a quotation within 2 business days.

Order size (units of one product)	Team discount
11-25	10%
26-50	15%
51 or more	20%

Team discounts cannot be combined with coupons. A GST invoice in the institution's name is issued; enter the GSTIN when the order is placed.

Payment terms for institutions

Schools, colleges and registered academies can pay by bank transfer (NEFT or RTGS) against a proforma invoice. Orders above ₹1,00,000 can be paid 50% in advance and 50% before dispatch.

Academy partner programme

Registered academies with at least 30 enrolled players can join the Academy Partner Programme: a dedicated account manager, a 12% discount on all non-custom products for enrolled players who shop with the academy code, and free knocking-in for bats bought through the programme.

Delivery for team orders

Team orders ship from the nearest fulfilment centre. Orders weighing more than 30 kg travel by freight partner and take 2 extra business days. Delivery to a school or ground address is available; someone must be present to sign for the delivery.

Product FAQ and Buying Guide

English willow or Kashmir willow?

English willow is lighter, softer and more responsive, giving a bigger sweet spot and better ball pick-up. It needs knocking-in and regular oiling. Kashmir willow is harder, heavier and more durable, comes ready to play with leather balls, and suits beginners, juniors and practice sessions. Neither is suitable for hard tennis balls; use the Offside Tennis Ball Bat for tennis-ball cricket.

Bat size chart

Player height	Bat size
Under 4 ft 3 in (about 130 cm)	Size 3
4 ft 3 in - 4 ft 6 in	Size 4
4 ft 6 in - 4 ft 9 in	Size 5
4 ft 9 in - 5 ft 0 in	Size 6
5 ft 0 in - 5 ft 3 in	Harrow
5 ft 3 in - 6 ft 2 in	Short Handle (SH)
Over 6 ft 2 in	Long Handle (LH)

Choosing bat weight

Most adult players use a bat between 1150 g and 1220 g. A lighter bat helps with back-foot and cut shots; a heavier bat suits front-foot driving. If you are unsure, choose the lighter end of the range.

Choosing a cricket ball

- Red leather (four-piece) for long-format matches and serious practice.
- White leather for limited-overs and floodlit matches.
- Pink leather for day/night long-format matches.
- Two-piece leather balls for nets and club practice.
- Synthetic training balls for bowling machines and drills.
- Heavy tennis balls for gully and box cricket.

Helmet sizing

Measure the head circumference about 2 cm above the eyebrows. Dada Pro helmet sizes: S 53-55 cm, M 55-57 cm, L 57-59 cm, XL 59-61 cm. If you are between sizes, choose the smaller size and adjust the rear dial. All Dada Pro helmets meet BS 7928:2013.

Pad and glove sizing

- Boys: height under 4 ft 9 in. Youth: 4 ft 9 in to 5 ft 3 in. Men: 5 ft 3 in to 6 ft. Men Large: over 6 ft.
- Batting gloves come in right-hand and left-hand versions. A right-handed batter needs right-hand gloves (the

protective side bar is on the left glove's thumb).

Shoe size guide and spikes

Our cricket and running shoes use UK sizes. Indian sizes are the same as UK sizes. If you are between sizes, choose the larger size for spike shoes to allow for thick cricket socks.

- Full metal spikes: fast bowlers and long spells on natural turf.
- Half spikes (all-rounder): batters and bowlers who play on turf.
- Rubber studs: batters, spinners, astro-turf and hard pitches.

Metal spikes can be replaced with the Spike Replacement Kit (DS-ACC-607). Tighten spikes before every match.

Using the DS Fit BlendGo Portable Blender

- Charge fully before first use; a full charge takes 3-4 hours and gives about 15 blends.
- Add liquid first, then powder or fruit, up to the 380 ml MAX line. Small ice cubes are fine; do not blend liquids hotter than 40°C.
- Twist the jar onto the base until it clicks. The light turns blue when the safety lock is engaged; blinking red means it is not locked.
- Press the power button twice to start a 40-second blend cycle.
- Clean by blending warm water with a drop of dish soap for one cycle. Do not immerse the base in water. The jar is not dishwasher safe.

Using the DS Fit PowerBlend 600 W

The PowerBlend runs for up to 60 seconds per cycle. Let it rest for 2 minutes between cycles. The jars and blades are dishwasher safe on the top rack; the motor base is not.

Pairing the DS Fit Pulse Smart Band

Install the DS Fit app (Android 9 or later, iOS 15 or later), turn on Bluetooth, open the app and tap Add device. Keep the band within 1 metre of the phone. If pairing fails, restart the band by holding the side button for 10 seconds.

Whey protein storage

Store in a cool, dry place and close the lid tightly. Use within 3 months of opening and before the best-before date printed on the jar.

Previously Resolved Support Cases

These are real-world patterns from tickets that the senior support team resolved and approved for reuse. Each case lists the problem, the resolution and the policy it relied on. Policies remain the source of truth; these cases show how the policies are applied.

Case: Parcel stuck at a courier hub

A customer in Pune reported that their order had shown "In transit - Bhiwandi hub" for 4 business days and was 3 business days past its Estimated Delivery Date. Support raised a priority trace with the courier and updated the customer within 24 hours. The parcel had been mis-sorted; it was re-routed and delivered 2 business days later. Because the order arrived more than 5 business days after the EDD, the customer was offered the ₹150 Captain's Club late delivery credit. Policy: Shipping and Delivery Policy.

Case: Charged twice on UPI for one order

A customer saw ₹3,299 debited twice for one PowerBlend order. Only one order existed in My Orders. Support explained that the second debit was a pending authorisation, which the bank released automatically on the fourth business day. No refund action was needed from Dada Sports. Policy: Billing and Payments, duplicate charges.

Case: Toe crack on a new English willow bat

A customer reported a crack at the toe of an Eden Grade 3 bat two weeks after delivery. Photos showed moisture swelling at the toe and no toe guard. The damage was not covered by the warranty (moisture damage), so support offered the paid toe repair and toe guard service at ₹499 with free return shipping as a goodwill gesture. The customer accepted. Policy: Warranty and Replacements, bat warranty exclusions; Bat Care and Services.

Case: Handle came loose on a Dada Pro bat

The handle of a Dada Pro Grade 1 bat came loose at the splice after 3 months of normal use. This is a covered manufacturing defect within the 6-month warranty. The bat was picked up free of charge, the handle was replaced at the Chennai service centre, and the bat was returned within 9 business days. Policy: Warranty and Replacements.

Case: BlendGo blender not starting on arrival

A customer said their new BlendGo Portable Blender would not start. Support walked them through seating the jar until the light turned blue; the light kept blinking red, which showed a faulty safety sensor. The claim was raised within 48 hours of delivery with a short video, approved the same day, and a replacement was dispatched within 2 business days with pickup of the faulty unit. Policy: Warranty and Replacements, damaged or defective on delivery.

Case: Wrong shoe size

A customer ordered Eden Rubber Stud Cricket Shoes in UK 8 and found them tight. Support converted the request into a free size exchange to UK 9 under My Orders. The new pair was dispatched when the pickup was completed. Policy: Returns and Refund Policy, exchanges.

Case: OTP not arriving during login

A customer could not log in because the OTP never arrived. They had requested 5 OTPs within the hour, which

triggered the hourly limit. Support explained the 60-minute wait and suggested resetting the password through the email reset link instead, which worked immediately. Policy: Account and Login Help.

Case: COD order refund

A customer returned COD-paid running shoes. After the quality check, support sent the secure link to submit bank details, and the refund reached the customer by NEFT within 4 business days. Policy: Returns and Refund Policy, refund timelines.
